

Bulletin No 1

Force majeure forced the organizers to change the schedule, itinerary and the mileage of the second day of Plenty of Tarmac Eastern Kentucky Rallye.

The Start of Special Stages 4, 5, 11 and 14 it is moved 2 miles from the bottom of the Park Rd, entrance to the Kingdome Come State Park, up on the road at the playground located on the right side. The consequence of this change is those stages – SS 2, 5, 11 and 14 will be shorted with 2 miles.

Special stage 18 – “Shotgun 3” (5.00 miles) will be replaced with Special Stage – “Yardmaster 2” (15.00 miles).

In order to accommodate the racing needs, there will be a new service “ D ” between SS 17 and 18. After service C, the new transit 19 to the start of stage 18 will be 12.20 miles.

Updated schedule and itinerary will be published on <https://www.nasarallysport.com/main/event/2020/Plenty-Of-Tarmac>
