

## **Raven Rock Rallysprint Bulletin 1**

The culture of safety is baked in to the foundation of rally. And unlike every other form of motorsport, rally is unique in that the racers themselves are the first line of response to accidents on stage. This means that taking into consideration the safety of others is a core principle of everyone in this sport.

To that end, mask usage to prevent the spread of Covid-19 will be considered sportsmanlike. Non-usage will be considered unsportsmanlike.

This applies to all locations/events connected with the event, including registration, HQ hotel, service, inspection, spectating, awards, et cetera.
