

LAWRENCE SUPER STAGES

BULLETIN #4 – November 10, 2022, Service Park Details

Service park is located on Cherokee-Irish Creek road off of KY-201N just south of Cherokee, KY 41180. LSS Service will be on the side of a gravel road. Competitors should line up their service areas single file on the southern side of the road (on your right as you drive in). Any other locations will need approval by a rally official and must keep the road open for access.

All vehicles accessing the stages will have to come past service on this road. This could include a full size ambulance and/or rescue vehicles. Access to the stages from KY-201N MUST be maintained at all times.

Note that Volunteers will be parking on the other side of KY-201N and walking in along Cherokee-Irish Creek road from around 6:00am to 6:30am. Please be careful.

What: Service Park opens for Lawrence Super Stages

When: 6:00am, Saturday November 12th
