New medical forms are due no later than 0800 on June 5, 2023 to allow time for processing and review. Please adhere to the deadline, however later forms may attempt to

make arrangements with medform@nasarallysport.com. Questions regarding many rally topics including the medical form are answered in the rally university at <https://www.nasarallysport.com/main/Rally-University>.

New Competitors are encouraged to enter early to ensure they are invited to Novice Competitor Orientation and can get their entry paperwork together.

The details for the meeting are included at the end of this document.

Judgment of fact is solely at the discretion of the Clerk of the Course. The decision is final and there is no process for appeal.

Competitors are reminded that stage roads will be open to normal traffic during reconnaissance and that they must drive in a manner that does not endanger or inconvenience other traffic. Either law enforcement or event officials using any method can and will check speed compliance.
