

Bulletin #6: Friday SS 1 & SS2 Free Transit

This bulletin will cover the Free Transit and Trailer parking options for Friday evening

Transit to and from SS1 & 2 is free and are not scored. Route instructions from Felch to the MTC are contained in the route book. But teams are free to deviate from the published route as they see fit.

Teams are permitted to trailer the race vehicle along the transit route. But due to limited space at the Friday MTC, trailers are not permitted in the vicinity of the MTC. Two locations have been identified for trailer unloading approximately 10.5 miles prior to the MTC, in Sagola.

Trailer unloading is recommended behind the BP Station at the junction of M95 and M69, and the Park-n-Ride lot on M69. Unleaded Regular and Premium fuel is available at the BP station.

Use of these areas is not required. Teams may locate other suitable areas to unload as they desire or follow the transit route from Felch if trailering is not required.

Per the event schedule, teams shall arrive at the Rally Start MTC no later than 7:30.

Travel time from Felch is approximately 35 minutes. Drivers meeting will be held at the MTC at 7:30. 1st car will depart MTC1 at 8:01PM.
